

Katherine Warrington School

Taster Lessons, Sunday 25th February 2018

Thank you to everyone who gave up their Sunday morning to experience a taster lesson from Katherine Warrington School. Over 90 students signed up, which was fantastic.

The morning began in the hall at Roundwood Primary then the students went off for an hour to either STEM, English or Scratch Choir. Parents remained in the hall and we did some interesting work around mindset, celebrating effort, promoting desirable difficulties and embracing challenge and failure. However, the main event was happening in the Roundwood Park secondary school classrooms as students experimented with fizz propelled rockets, discovered more about Katherine Warrington herself, translated our values in to headlines like 'We **CAN** – Commitment, Ambition and Nothing is Impossible' and

Responsibility
Enthusiasm
Safety
Perseverance
Everyone included
Creativity
Teamwork

Whilst in the Scratch Choir in Music Room 2, students learned a piece from the Greatest Showman then came back and performed it in front of all the students and parents (and it sounded great).

Thank you to the teachers from SJL and Roundwood and the 6th formers from both schools who gave us a helping hand. Here are some photos from the morning.
