What we can offer you

The ethos of our school will focus on enabling every student to make outstanding progress and this will be mirrored for our staff. With only Year 7 teaching during 2019/20 (please note, candidates will therefore be required to teach a second subject) and year on year growth thereafter, you will have the capacity and will be afforded the time/support to enhance and develop your teaching skills and contribute to the wider life of the school.

All our staff will have access to mentoring and CPD opportunities both in house and within our wider partner community.

If you share our belief that young people have the right to a transformational educational experience that will enable them to fulfil their potential and realise their ambitions, then we look forward to hearing from you.
