

Student Equipment List for September 2019

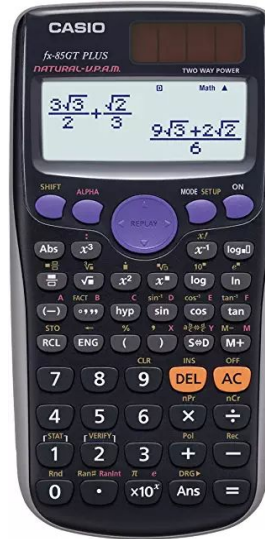

- Black Pens (at least two)
- HB Pencils (at least two)
- Green Pen
- Green & Yellow Highlighters

- Rubber
- Sharpener
- 30cm Clear Ruler
- Glue Stick
- Scissors

- Calculator (*We strongly recommend the Casio FX-85GTPLUS or CASIO FX-85GTX which is a newer version - see images, these will be used by students through to their GCSE exams*)
- Compasses
- 180 degree Protractor

- Graded sketching pencils (5H - 6B)
- Set of colouring pencils

- A set of book covers (to be purchased through school in early October).

Taking Pride in your Work at Katherine Warrington

As part of our transition programme, ***students are asked to bring with them a piece of writing from primary school that they are proud of.*** This is available to all staff to reference throughout the students' time at Katherine Warrington in order to support staff in enabling students to build on their literacy. This reference point, combined with KS2 data and students' reading and spelling ages will act as a significant reference point for us to ensure student literacy progresses for each individual.

Along with their piece of written work from primary school, we would also like students to bring a piece of maths work they are proud of with them as they start Year 7 at Katherine Warrington. As per their written work, this provides a further reference point for teachers (and a reminder for students) of their prior learning.

Students should bring these pieces of work with them on 5th September

Equipment at the University

Students will need to bring the equipment listed in this document (except book covers) along to the University. Please note that students will be taking part in a range of activities. We will aim to use the sports facilities as much as possible and this means students will need their PE kit from the very first day.

If you have any questions please email g.aikman@kwschool.co.uk
