

Year 7 literacy and numeracy catch-up premium

This funding aims to help students who enter Year 7 who did not achieve the expected standard in reading or maths. The aim of the funding is to help them to 'catch up' with their peers.

For the year 2019 – 2020 Katherine Warrington School was allocated £11,286 in funding aspart of this initiative.

The strategies we employed included:

- Small group teaching
- Mentoring
- TA support
- Home Learning Club
- Touch typing club

Attainment of our students for whom it was allocated.

It was difficult to judge the attainment of pupils during the 2019/2020 Academic Year due to the impact of the COVID-19 pandemic and the impact this had on end of year assessments. All students repeated CAT4 and NGRT reading tests at the start of Year 8 and this showed progress in some of the students targeted with the Catch-up Premium.
