

JANUARY 2022

KATHERINE

WARINGTON

Catering Newsletter-

We would like to congratulate Sampiseth, Chef manager at Katherine Warington school as a finalist at the HCL awards for Chef Manager of the Year 2022. The prestigious awards dinner is held annually and celebrates catering across Hertfordshire. I am sure you will all join me in congratulating Sam for his hard work and dedication.

We have reduced our CO2 output by combining deliveries. Our butcher William Whites delivers to our main supplier allowing us to reduce emissions. HCL is looking for Sustainability champions at Katherine Warington to support recycling, we would like to join the ECO team onsite and promote Sustainability throughout the school. Pupils at Katherine Warington will take part in workshops discussing their vision and mission, HCL will support pupils to introduce new ideas onsite.
