Sports Leggings

We are excited to announce that this year we will be offering a **new sports legging** as an option for students. An alternative to the **sports tracksuit trousers** these leggings offer an extra option for both **comfort** and **warmth** to students during their sports lessons.

Compression fit leggings with a wide flat waistband and panel design. Black with the school logo printed to the right leg. Moisture wicking and providing 40+ UPF protection, these leggings have overstitched seams and are rigorously tested to withstand daily wear and tear whilst maintaining colour and technical performance.

Available now to purchase online and instore!
