

HomeRun App

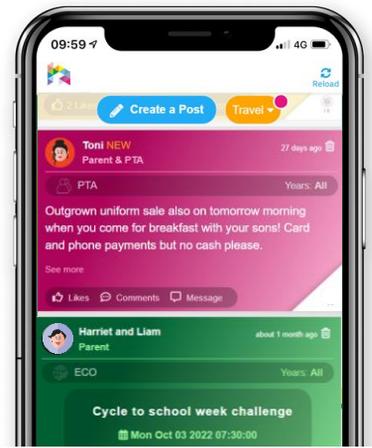

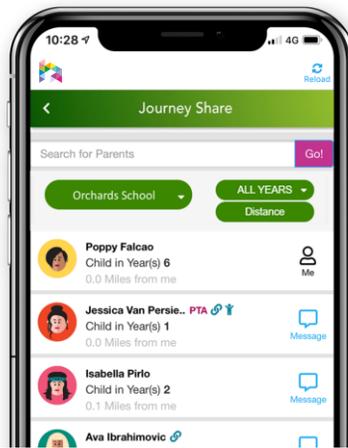

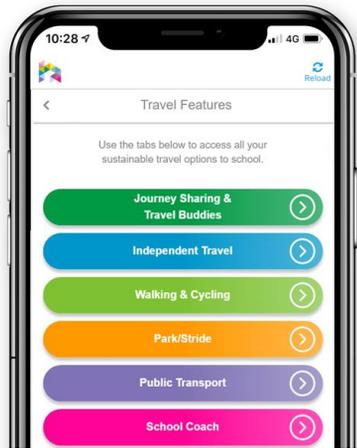

The Sustainable School Travel App

The HomeRun App is simple-to-use and helps parents plan easier, more sustainable options for travelling to school.

Connects and promotes available sustainable travel options in one application.

Empowers parents & staff with journey sharing, carpooling, independent travel and more.

A safe digital community ensures parents have peace-of-mind when connecting with each other.

"We couldn't be happier with how the platform is working for us!"
~ Lewis Hayward, Head Teacher, University College School
