1. Aims

- This policy aims to:
- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2023 to 2024](#), published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

All members of staff, Governors and Support Staff accept responsibility for the students targeted by Pupil Premium funding and are committed to meeting their pastoral, social and academic needs within the Katherine Warrington School environment. Katherine Warrington School is committed to diminishing the difference for these students and the use of the Pupil Premium will form a vital part of that process.

4. Use of the grant

Our approach to spending the PPG is in-line with the 3-tiered approach described in the **EEF** guide. We ensure that decisions around PPG spending are focused on:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour, and social and emotional support

When making decisions about how to spend the PPG, we will also:

- Ensure that Pupil Premium funding allocated to our school is used solely for its intended purpose. Use the latest evidence-based research on proven strategies which work to narrow the attainment gaps and adapt these as necessary to meet the needs of our pupils.
- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage take up of **FSM** by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
- Recognise the fact that FSM pupils are not a homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.
- Evaluate the emerging needs and issues surrounding Pupil Premium

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants/support staff
- Attendance initiatives
- Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)
- Funding educational trips and visits
- Funding aspirational opportunities such as university outreach courses and guest speakers

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here: [PP-Strategy-Statement-2022-23.docx.pdf](#)

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Years 7-11.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order
- In state care from outside England and Wales before being adopted [This is a new criteria for the 2023-24 financial year]

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

6. Roles and responsibilities

6.1 Headteacher and senior leadership team

The headteacher and senior leadership team are responsible for:

7. Monitoring arrangements

This policy will be reviewed annually by the Board of Trustees. At every review, the policy will be shared with the governing board.

8. Links with other policies

Although this policy is the key document outlining our approach to narrowing the gaps in attainment and achievement for our disadvantaged pupils, we will, however ensure that information about our responsibilities under the Equality Act 2010 for other pupils for whom narrowing the gap remains an issue but are not covered by the Pupil Premium, are also included in key documents such as our School Improvement Plan (SIP) and Self Evaluation Form (SEF). There will also be references to disadvantaged pupils in minutes of meetings involving governors, the whole staff, and the senior leadership team.
