

GCSE Results day August 2026

Results for GCSE examinations in Summer 2026 can be collected from Katherine Warrington School on **Thursday 20th August, from 9am - 11am**. You will be required to sign to confirm that you have received your results, and will be asked to provide consent for teaching staff to access your marked scripts. Scripts may be requested to ascertain whether to make an application for a review of marking, or for departments to use for training purposes. For further information on this, please refer to the information regarding Post results Services on the KWS website.

If you are unable to attend school on Results Day, there are three options:

- You may wish to send a representative to collect your results on your behalf. If choosing this option, the person collecting the results will need to provide some form of photographic identification (passport or driving licence, for example) on the day and will also need to sign to confirm receipt of results.
- You can provide the Exams Manager with a stamped addressed envelope for the results to be posted to you. Results will be placed in the post box (standard delivery) on the afternoon of the 20th August.
- Your results can be emailed to you sometime after 11am, via your school email address (ending in '@kwschool.co.uk')

Should you require your results to be emailed to you, posted, or collected by a representative, please complete the Candidate Permission Form on the next page and submit it to exams@kwschool.co.uk by **18th August 2026**. This form **MUST** be completed by the student, not the parent / guardian. If prior notice is not provided, your results will not be released until your permission is granted / you are able to collect them.

UK Education Record app

Most students will have downloaded (and registered with) the UK Education Record app. Students should receive their results in the app after 11am. It is very important that students still attend school to collect their results (where possible), as there will be support and guidance available in school until 11am for all students. Those wishing to continue onto KWSixth can also finalise their applications during this time.
