### Summary of the services available

| Post-results service                                        | Details of the service                                                                                                                                                                                                                                                                                                                                         |
|-------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| RoR <b>Service 1</b> : Clerical re-check                    | This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks. ( <b>For multiple choice tests, only Service 1 re-checks can be requested</b> )                                                                                                                                 |
| RoR <b>Service 2</b> : Review of marking                    | This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly... Reviewers <b>will not</b> re-mark the script. They will only act to correct any errors identified in the original marking. This service will include: the clerical re-checks detailed in Service 1; a review of marking as described above. |
| RoR Service 2 with post-review of marking copy of script    |                                                                                                                                                                                                                                                                                                                                                                |
| RoR <b>Service 3</b> : Review of moderation                 | This is a review of the original moderation to ensure that the assessment criteria has been fairly, reliably and consistently applied. It <b>is not</b> a re-moderation of candidates' work. ( <b>This service is not available to individual candidates</b> )                                                                                                 |
| ATS: Copy of script to support <b>review of marking</b>     | This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.                                                                                                                                                              |
| ATS: Copy of script to support <b>teaching and learning</b> | This is a non-priority service to request copies of marked scripts to support teaching and learning.                                                                                                                                                                                                                                                           |
